Owner's Statement

My name is Imas Nurlia, and I am the Owner and founder of Tirta Calm Wellness (TCW). I have over ten years of experience as a professional massage therapist in Indonesia, where I developed a strong understanding of therapeutic benefits of massage for physical health, relaxation, and overall well-being. Based on this experience, I established Tirta Calm Wellness to provide professional therapeutic massage and wellness service focused on stress reduction and physical restoration

After relocating to the United States, I committed to operating TCW in full compliance with applicable laws, professional standards of service of quality, hygiene, safety, and professionalism, while creating a respectful and supportive environment for clients and staff.

I am a Licensed Massage Therapist and a graduate of Spa Tech Institute, Westbrook, Maine, where I completed formal education and clinical training in accordance with state requirements. I also had an Associate Degree in Computer Education and Business Administration from Institute Digital Ekonomi LPKIA, Indonesia, providing a strong foundation in business and administrative management. Through Tirta Calm Wellness, I am committed to supporting health and wellness through safe, professional, and ethical therapeutic massage service.

Sincerely,

Imas Nurlia

Purpose, Priorities, and Goals

Tirta Calm Wellness is a home-based therapeutic massage service dedicated to providing a personalized, calming, and high-quality wellness experience, with a strong focus on client comfort, trust, and satisfaction.

Short-Term Goals (1-2)Years):

- **Priority 1# (Building Clients) :** The main focus is to gain clients and build good relationships with them through reliable and friendly service.
    - **Marketing Strategy :** Use social media, join local community events, and connect with nearby businesses such as restaurants. Use simple and professional business cards and brochures.
    - **Working Hours :** Service is available Tuesday to Saturday from 9:00 Am - 8:00 PM, with a maximum of four sessions per day to keep good service quality. Mobile massage services are available in nearby areas. Every other Monday, TCW offers a special free chair massage day for veterans.
    - **Business tools :** Use Square to accept payment and manage basic accounting, open a business bank account, accept different payment methods including credit cards, and consult a lawyer to make sure the business follows legal rules.
- **Priority 2# (Learning and Adapting) :** The business will continue to learn from other wellness businesses and adjust services when needed.
    - Research prices and service from similar businesses.
    - Visit wellness centres in different places to get new ideas.
    - Create a simple business plan for future growth, including possible food and beverage service.

- **Priority 3# (Continuing Education) :** Improving skills and knowledge is important to provide better service.
    - Join advanced massage training and certification programs.
    - Stay active in professional massage organizations.
    - Complete required professional exams and certification.

Long-Term Goals (3-5 Years):

- **Priority 1# (Growing the Business) :** The goal is to keep existing clients and reach more people.
    - Join corporate and community events, and offer private sessions or small classes.
    - Create simple branded products such as candles, massage oils, tote bags, or t-shirts.
    - Increase working hours when possible and consider hiring staff.
- **Priority 2# (Expanding Service) :** Offer more services as the business grows.
    - Study the local market to see if expanding space is possible.
    - Add retail products, wellness coaching, or small wellness centers.
- **Priority 3# (Professional Growth) :** Continue learning and supporting others in the wellness field.
    - Complete health or wellness coaching certification.
    - Keep learning advanced massage techniques.
    - Help and mentor new graduates and stay active in professional organizations.

Business Description

Tirta Calm Wellness is inspired by the word “Tirta,” which means water in Indonesian language and symbolizes life, calmness, and healing. Water represents cleansing, balance, and the natural flow of positive energy throughout the body. TCW is a wellness studio offering spa-inspired massage experiences that combines traditional Indonesian massage techniques with professional bodywork practices that meet U.S. standards of quality, safety, and care.

Each session is designed to help release tension, improve circulation and support balance between the body, mind, and overall well-being. Each treatment session is conducted professionally with careful attention to cleanliness, calmness, and the individual needs of each client. TCW provides a safe, peaceful, and welcoming environment where clients can relax, restore, and enjoy high-quality care in a professional home-based spa setting.

Location : Tirta Calm Wellness is located in Standish, Maine, and operates as a private, home-based wellness studio. The studio features one treatment room with a fireplace, two ground-floor entrances. A private bathroom equipped with a jacuzzi tub is available, along with clean and easily accessible handwashing facilities. The room is decorated in soft, calming colours with abundant natural light.

Service Offered : Tirta Calm Wellness offers

- **Swedish Bliss**: Escape the noise without leaving the comfort of a home setting. Indulge in gentle, rhythmic strokes designed to melt away daily stress in a peaceful, intimate space. With our signature aromatic oils and personalized touch, this is your private invitation to slow down, breath, and find your balance again.
- **The Deep Recovery (Deep Tissue)**: Forget the clinical feel of a big spa; this is personalized muscle therapy. We go deep into the layers of tension with potent healing elixir oils to release the knots that follow you home. It’s a focused, restorative session designed to liberate your back and shoulders from the weight of a busy week.
- **Earth & Fire Ritual (Hot Stone)**: Your private escape into warmth. Smooth heated volcanic stones are used to melt away long-standing stress that regular massage can’t reach. This warming ritual turns our quiet space into a glowing sanctuary, leaving your body deeply relaxed and your spirit renewed.

- **The Sole Retreat (Reflexology)**: A journey to wellness that starts at your feet. In the quiet comfort of our studio, we apply precise pressure to your meridian points to balance your entire body. It's the perfect “quick escape” to boost your energy and find your ground again.
- **Zen Flow Therapy (Shiatsu)**: An oil-free, meditative experience that restores your body’s natural rhythm. By using purposeful finger pressure on vital points, we clear energy blockages and sharpen your mental clarity. It’s rhythmic, healing dances that leave you feeling aligned and revitalized.
- **The Heritage Heal (Indonesian Traditional)**: Experience the soul of Indonesian healing in an intimate setting. Using warmed, Spice-infused oils and firms, rhythmic “urut” and “kerokan”techniques, we boost your circulation and banish fatigue. It’s a nostalgic, powerful treatment that brings the wisdom of the islands to your doorstep.
- **The Detox Ritual (Cupping)**: A legendary purification treatment to lighten your load. Using gentle suction to draw out hidden toxins and improve blood flow, this ritual is the ultimate reset for a heavy body.Walk away feeling purified, energized, and physically “lighter.”
- **Indonesian Spice Glow Ritual (Body Scrub)**: Awaken your skin’s natural brilliance with an ancestral beauty ritual. Our signature scrub features a curated blend of authentic Indonesian spices and pure botanical elements:
    - Turmeric to brighten and restore your natural glow.
    - Coconut to deeply nourish and hydrate the skin
    - Coffee to firm and refine skin texture
    - Pure Sea Salt to gently exfoliate and detoxify.

Sessions are available in 60/90/120 minutes. In addition, a special weekly offer for veterans is available: free chair massage in 20-minute sessions, once per two weeks.

Tirta calm Wellness uses organic body care products suitable for all skin types. Services are competitively priced, with customized treatment packages available. Gifts or discounts are offered to subscribed and returning clients.

RISK ASSESSMENT

Running a wellness business comes with challenges, like managing limited schedules and finding the right talent. We might be smaller than the big spas, but we use that to our advantage. Tirta Calm Wellness provides a level of care and unique massage style that you won't find anywhere else, making us a reliable escape for our community. With mindful care and signature massage technique, TCW stands as a positive and trusted choice amidst the competitive wellness landscape.

Reducing Business Risks:

- Stay Updated: Regularly check similar local businesses to keep our prices and service fair.
- Stay Visible: Keep up with marketing so people always remember our brand.
- World of Mouth: Encourage happy clients to tell their friends and family about us.
- Be a Good Neighbor: Build good relationships with the people around our studio to create trust.

Reducing Responsibility Risks

- Insurance: Keep professional insurance to protect the business.
- Credentials: Make sure all license and training are up date
- Client Files: Keep organized records of client health form and their past treatments
- Clear Agreements: Always get the client's "OK" before starting so everyone understands the process.
- Sanitation: Keep the room and tools very clean.
- Safety: Make sure the entrance and studio are safe and easy to access.
- Hygiene: Provide a clean bathroom and a place for everyone to wash their hands.

Dear Town Manager and Licensing Officials,

I am writing to submit my cover letter and resume in support of my application to open a bodywork business in the Town of Standish. I am deeply impressed by Standish's strong sense of community, support for local small businesses, and dedication to enhancing the well-being of residents through health and wellness services.

I believe my business would be a meaningful and beneficial addition to the community for several reasons. First, Standish residents have expressed interest in high-quality, professional bodywork services that promote physical health, relaxation, and stress relief. Second, I bring professional training and experiences as Licensed Massage Therapist (LMT), ensuring that services are provided safely and to the highest standards. Most importantly, my business will support local wellness initiatives and contribute positively to the town's overall quality of life.

Please find my resume attached for your review. I am prepared to comply with all local regulations and requirements for business operations and would welcome the opportunity to meet with you to discuss my plans further or provide any additional information necessary. I can be reached at the contact information listed above.

Thank you for your time and consideration. I look forward to your response and to the possibility of serving the residents of Standish with professional bodywork services.

Sincerely,
Imas nurlia, LMT
